- Seven-day-a-week container availability at Greensboro rail ramp with 24-hour-a-day availability Monday through Friday as well as weekend limited hours of service
- Faster truck turn times maximize truckers' driving time under hours-of-service rules
- Possibility of multiple truck turns per day at ramp due to closer proximity to your location versus longer dray/less turns at sea port
- Offsite container yard being offered by participating shiplines
- 63 percent less greenhouse gas emissions compared to truck
- Lowest environmental impact when compared to moving cargo via other major Southeast ports
- Neutral chassis pool on site through HRCF II
